

CitraGuard™ Deodorant

Product Size: 1.5 oz.
Item No: 42619

Featuring sunflower seed wax instead of beeswax, CitraGuard Deodorant is vegan friendly. The sunflower wax base also improves the deodorant's structural integrity by reducing tackiness for a higher-quality stick.

CitraGuard Deodorant's combination of plant-based ingredients is clinically shown to inhibit the growth of odor-causing bacteria. Ingredients such as cocoa butter, mango butter, and coconut oil soothe and condition the skin, while arrowroot powder helps absorb underarm moisture.

Young Living's exclusive formula contains Lemongrass, Thyme, and Tea Tree premium essential oils—and no aluminum, parabens, talc, or alcohol—so you can feel confident and fresh with every swipe.

Formulated with naturally derived ingredients, CitraGuard Deodorant combines the moisture-absorbing properties of arrowroot powder with our plant-derived deodorizing technology and premium essential oils for the odor protection you need without the aluminum or harsh chemicals.

BENEFITS AND FEATURES

- Fights odor without disturbing normal perspiration
- Features plant-derived deodorizing technology that is clinically proven to inhibit the growth of odor-causing bacteria
- Formulated to support a healthy microbiome of the underarm
- Aluminum free
- Contains skin-soothing and skin-conditioning ingredients
- Made with Lemongrass, Thyme, and Tea Tree premium essential oils
- Has a citrus, lemony herbaceous scent
- Formulated without parabens, phthalates, talc, alcohol, mineral oil, synthetic perfumes or dyes, artificial colors, fragrances, preservatives, or gluten-containing ingredients

TOP THREE REASONS TO ORDER

1. CitraGuard Deodorant fights underarm odor and absorbs sweat naturally.
2. Coconut oil, sunflower seed oil, cocoa butter, and mango butter soothe and condition skin.
3. Formula is vegan friendly and aluminum free.

CitraGuard™ Deodorant

DIRECTIONS

Apply 3–4 light strokes to underarms daily. If necessary, turn dial to raise product.

SAFETY

Keep out of reach of children. Do not expose to excessive heat or direct sunlight. Do not use on broken or irritated skin due to possible skin sensitivity. Store in a cool, dark place.
