

FUN IN THE SUN

*say goodbye to pesky bugs and painful sunburns,
say hello to friends and family time filled with laughter*

Insect Repellent

Insect Repellent from Young Living is a natural, essential oil-infused alternative to traditional bug repellent that effectively prevents mosquito, flea, and tick bites.

LavaDerm After Sun Spray

offers temporary relief from the pain and itching of minor burns, minor cuts, sunburns, scrapes, insect bites, and minor skin irritations.

Mineral Sunscreen SPF 50

Young Living's Mineral Sunscreen SPF 50 is reef safe and free from harsh chemicals, making it the best healthy sun-exposure solution for the whole family.

Did You Know ... the skin is the largest organ of your body. What you apply topically has the ability to soak into the all the layers of skin & get into the bloodstream, effecting vital organs & even brain function? When choosing products for children, remember that toxins remain in the body for many years & can effect a child's growth & overall health.
